

BOOK NOOK

Celebrating 100 years of Roald Dahl

Enter the world of the BFG and other Roald Dahl books in this imaginative and interactive experience! This program includes the following activities:

- 1) **Dream Catching:** Students will search the Discovery Space to find and collect 'dreams' that will be used in follow up activities.
- 2) **Creating Stories:** Working in small groups, students will create and present an original story using a variety of story elements collected while 'dream catching'.
- 3) **Gobblefunking with Words:** Students will explore Roald Dahl's silly language of Gobblefunk and use their imaginations to create new words of their own.

The Roald Dahl Book Nook program can be adapted depending on the age range and prior knowledge of your students to ensure the most is attained from the experience.
