JULY

SCHOOL HOLIDAYS

**DAILY
DROP-IN ART
WORKSHOPS**

Stay and create each day guided by our Education Officers, from 9am - 3pm.

ICY ANIMALS

Use your observation skills to create Antarctic animals from different shapes! Test your drawing skills by adding details and textures.

Tuesday 10th, Tuesday 17th & Wednesday 18th

SNOWFALL MOBILES

Examine the environment and weather of Antarctica before creating a hanging mobile to recreate the snowfall in your own home.

Wednesday 11th, Thursday 12th & Saturday 21st

POM-POMS

Make a fluffy, wintery pom-pom using simple cardboard cut-outs!

Friday 13th, Sunday 15th & Thursday 19th

WOVEN SNOWFLAKES

Every snowflake is different, and yours will be no exception! Use wool to create your own special snowflake pattern.

Saturday 14th, Friday 20th & Sunday 22nd

Explore a different theme each week at 11.30am, 1:30pm & 3:00pm.

WEEK 1: SEA SHELL & CLAY SCULPTURES

Inspired by Bidjigal artist and elder Esme Timbery, use sea shells and clay to create.

WEEK 2: PAINTED SNOWSTORM

Experiment with colour and mediums to create a swirling snowstorm... and add some salt for crystalline finish!

**DISCOVERY
ART
SESSIONS**

Check the calendar for the daily sessions at 11.00am & 1:30pm.

COMPASS HUNT

Pick up your compass and learn to follow its directions to find the 'South Pole' of the Discovery Space!

ICE CUBE RESCUE

Use your enquiry skills to help the minifig explorers escape their icy trap.

MICROSCOPES

Examine specimens to see what kind of plants, moss and lichen grow in Antarctica and record your findings.

HEAT VISION

See the world through a thermal camera! Can you hide hot and cold things from the heat vision?

MUSIC & MOVEMENT: SNOWSTORM

From calm snowfall to swirling blizzards, play music and dance as we explore the weather of the Antarctic!

GETTING AROUND ANTARCTICA

Build ice breakers, rafts and snowmobiles as we explore the ways expeditioners get around the continent.
